

Business - Mentor on Demand

Owning and operating a business should have many more rewards than it does challenges, yet a lot of Business Owners get stuck in the “challenges”. This may include management issues, staffing problems, insufficient sales, poor marketing, cashflow constraints, poor productivity, stress, anxiety.....the list is almost endless, BUT.....there is always a better way.

For the majority of these owners; some structure, a program of accountability coupled with timely guidance can elevate the business out of “challenge” and into “reward”.

Our **Business - Mentor on Demand** package has been specifically designed for those owners who are **now ready to seek out the rewards**. Moulded as a **DIY business improvement service**, it provides the Business Owners with the **tools and guidance to deal with their business challenges** in their own way, at a pace appropriate for their business. As this is a *one on one* service, it also provides Business Owners vital flexibility to focus on the “key issue of the day” if and when required – be it sales, cash, staff or product related.

Package Includes

- Initial business assessment review.
- Dedicated 121 mentoring sessions each fortnight.
- Structured group training sessions covering core business improvement topic (live or as a download).
- Vision, planning, milestones & accountability tracking.
- Flexibility in the program to cover your Biggest Issue of the Day.
- Tools and templates to guide your business improvement or tame your challenge.
- Email access for between meeting items.
- On demand phone access for *quick* questions to keep the improvement process moving.
- Newsletter and access to Group Modules.
- Blog library of business Improvement topics.
